

BLANDFORD FLYERS SWIMMING CLUB

Blandford Flyers swimming club is a volunteer run, family friendly, competitive swimming club that aims to help young swimmers improve their fitness and technique in order to compete (if desired) at a County or Regional Level. We have qualified swimming coaches who cater for a wide range of swimming abilities (including para-swimming) and we attend many competitions all over the South & Southwest of England.

The benefits of joining us include:

- being part of our family friendly club
- being part of a competitive team
- making long lasting friendships
- improving your swimming technique
- having fun
- improving your fitness
- improving your mental health
- reaching your swimming goals

If you already swim at ASA Stage 7+ or equivalent, come along to training with any questions or for a free taster session.
